

Melbourne Main Sewer Replacement

Information Bulletin

10 June 2008

Invitation to Community Information Session

Construction is planned to commence soon in Port Melbourne and Southbank on the Melbourne Main Sewer Replacement (MMSR). The MMSR project team would like to invite you to an upcoming information session to present information about construction of this important piece of infrastructure for Melbourne and the inner southern suburbs.

The information session will be held between

6.30pm and 8pm on Tuesday 24 June 2008

at the **Port Phillip Specialist School**, Nott Street, Port Melbourne.

Please come along to find out about:

- Construction works occurring in your area
- How potential impacts will be managed
- Traffic management and road modifications.

Members of the project team, including engineers, project management and the community relations team will be in attendance to meet with you and answer any queries you may have.

Yours sincerely

The Melbourne Main Project Team
