Dear Mr Plowman

**RE: TOOROURRONG RESERVOIR, 120 JACKS CREEK ROAD WHITTLESEA,
PROV H2128**

I refer to your letter dated 4 October 2010 regarding a request to declare permit exempt the removal and replacement of the scour gate below water level and some geotechnical investigative works. Further details are provided in your letter and you have also provided a site plan and documents titled *Geotechnical Investigative Works, Description of Scour Gate and Geotechnical Investigative Works* setting out the details.

I advise that officers of Heritage Victoria have assessed the proposed work as set out in your submitted documents and it has been determined that pursuant to section 66(3) of the *Heritage Act 1995* a permit is not required for the works.

Accordingly, provided the works are carried out in accordance with the submitted documents, the works may proceed.

Your attention is drawn to the need to obtain any other relevant approvals including that of the owner or owners corporation, where relevant, prior to the commencement of works.

If you have any queries please contact Janet Sullivan, Heritage Victoria Permits Co-ordinator on (03) 8644 8950 or write to Heritage Victoria PO Box 2392 Melbourne, Vic 3001.

Yours sincerely

for 

Jim Gard'ner
Executive Director
