## Stony Creek Rehabilitation Works - Revegetation

16<sup>th</sup> April 2020

**Melbourne water is committed to enhancing life and liveability in your area. We will soon be planting riparian revegetation along Stony Creek in Cruickshank Park, Yarraville, and along the banks in West Footscray.**

**This project delivers actions from the Melbourne Water Stony Creek Rehabilitation Plan. These works will contribute to creating a continuous corridor of vegetation along Stony Creek, providing habitat for wildlife, and improving amenity for the community.**

### Planned works include:

- Preparing planting plots to make suitable for planting
- Installing jute roll to protect the plants and banks
- Planting over 3500 indigenous grasses, bushes and trees in the riparian zone
- Ongoing maintenance for 2 years to ensure plants establish successfully

### More information

- Appropriate controls will be in place to protect our work crews and the community during Covid-19. If you see us in the field, please help us stay safe with 1.5m distancing.
- This project delivers actions from the Melbourne Water Stony Creek Rehabilitation Plan: [yoursay.melbournewater.com.au/stony-creek-rehabilitation](https://yoursay.melbournewater.com.au/stony-creek-rehabilitation)
- This project complements Maribyrnong Council's Future Directions Plan: [www.yourcityyourvoice.com.au/stony-creek-future-directions](https://www.yourcityyourvoice.com.au/stony-creek-future-directions)

### Timing

Weed control spraying of the planting plots is planned for the end of April, with a follow up spray run in May. Each run will take 1-2 days.

Planting works will commence in June. You can expect to see work vehicles accessing the park to bring plants and materials to site. Planting works are expected to take 2-3 weeks.

Works will occur between 7am-4pm on weekdays only.

We will make every effort to minimise the impact of these essential works on the local community and the environment, and thank you for your patience.

Melbourne Water is committed to delivering world-class solutions with minimal impact on the community, on businesses and on the environment, and we thank you for your patience during these important works.

## Location of works

Cruickshank Park, Yarraville

West Footscray, between Cala St and Paramount Road

### Keep up to date with what's happening
