

15 June 2017

Dear Resident,

### **Williamstown Main Sewer Rehabilitation Project – Stage 1**

Stage 1 of the Williamstown Main Sewer Rehabilitation Project is due to start in the week commencing **19 June 2017**. Works for this stage will involve digging up the top of the manhole to ensure safe access into the sewer for stage 2 sewer relining works.

These works will take approximately **4-5 days** to complete for each manhole and will be performed during the day between **7am to 6pm Monday to Friday** and occasionally on Saturday's between 7am to 1:30pm.

Please be advised that council rubbish collection will still occur as per usual.

#### **What to expect?**

- Some odour when the manhole is first opened.
- Some noise from the movement of trucks, machinery and reversing beepers.
- Changes to parking and traffic conditions.
- Temporary lane/ road closures and changes to the speed limits near work areas.
- Partial closure of north bound bike lane along Douglas Parade. Please observe signage and take extra care when passing construction areas.
- Cyclists are encouraged to dismount and walk past construction area using pedestrian footpath or alternatively use shared user path along foreshore.
- Please see map overleaf for location and table for order of the works along with traffic and parking impacts. Please be advised that dates are subject to change. Please contact the project on 1800 813 242 if you require specific timing of works near your property.
