Dear Resident,

### **Williamstown Main Sewer Rehabilitation Project – Stage 1**

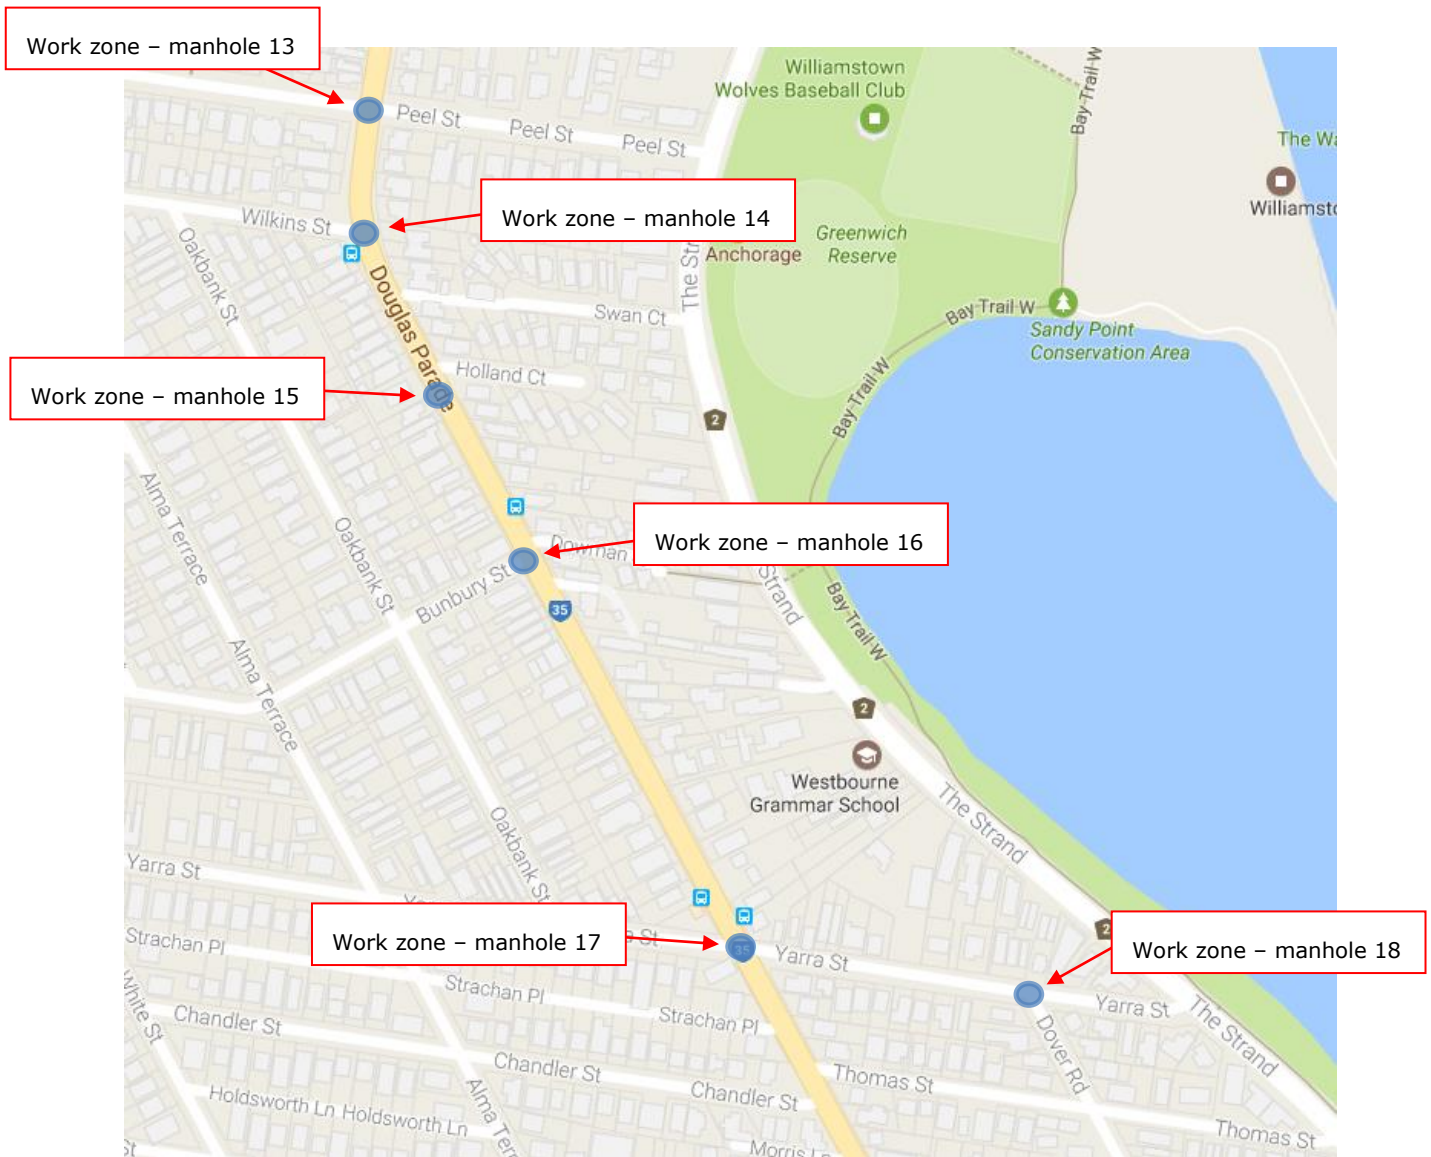

Stage 1 of the Williamstown Main Sewer Rehabilitation Project is due to start in the week commencing **24 May 2017**. Works for this stage will involve digging up the top of the manhole to ensure safe access into the sewer for stage 2 sewer relining works.

These works will take approximately **5-7 days** to complete for each manhole and will be performed during the day between **7am to 6pm Monday to Friday** and occasionally on Saturday's between 7am to 1:30pm.

Please be advised that council rubbish collection will still occur as per usual.

#### **What to expect?**

- Some odour when the manhole is first opened.
- Some noise from the movement of trucks, machinery and reversing beepers.
- Changes to parking and traffic conditions.
- Temporary lane/ road closures and changes to the speed limits near work areas.
- Please see map for location and table for order of the works along with traffic and parking impacts.
