

## Williamstown Main Sewer Rehabilitation Project Partial closure of Ferguson Street

Melbourne Water will be working day and night from **7am, Thursday 1 March until 6pm, Thursday 29 March 2018** to reline the Williamstown Main Sewer beneath Ferguson Street, Williamstown.

To get this work done, **Ferguson Street will be closed to eastbound traffic between James Street and The Strand.**

Part of the roundabout at the intersection of Nelson Place/The Strand and Ferguson Street will also be closed. A local detours map has been included overleaf to help plan your travel.

### Local detours in place will include:

- Traffic traveling east along Ferguson Street will be detoured left along MacLean Street, towards Stevedore Street.
- While traffic traveling north along Nelson Place will be detoured left along Ferguson Street, right at Douglas Parade and right again at Stevedore Street.
- Pedestrian access to Ferguson Street will be maintained in both directions.
- Bus service route 471 will be detoured via right into Cecil Street, left into Pasco Street, right into Nelson Place then normal route to the Williamstown Beach Terminus. Normal service to Sunshine.
- Bus service route 415 will be detoured via Melbourne Road, left into Pasco Street then left into Nelson Place to resume normal service on Ferguson Street west bound to Sunshine.
- Limited parking will remain in the centre of Ferguson Street and adjacent to the westbound lane.

There will be signage and traffic controllers to ensure people are able to safely navigate the work area. **The speed limit in the vicinity of the works will be 40km/hour.**

People traveling through the area are urged to follow traffic management and detour signs and the directions of traffic controllers. Please allow additional travel time.

CPB Black and Veatch Joint Venture will be undertaking these works on behalf of Melbourne Water. Contact us on **1800 813 242** if you have any questions.
